

ANUJA ANANDA CHAVAN

Final Year Student of Master of Computer Application

Kolhapur, Maharashtra, 416207 | chavan.anuja08@gmail.com | +91 7058728382 | [LinkedIn](#) | [GitHub](#)

PROFESSIONAL SUMMARY

MCA candidate with hands-on experience building web applications using ASP.NET (C#) and SQL Server. Proficient in Python, Java, and HTML/CSS with a strong academic record (CGPA 8.74). Demonstrated ability to design, develop, and deploy full-stack solutions including a campus placement portal and an online ticketing system. AWS Academy certified with foundational knowledge of cloud deployment and SQL database management.

TECHNICAL SKILLS

Programming Languages:

- Python, Java, C# (.NET), HTML5, CSS3, JavaScript

Databases:

- SQL Server, CRUD Operations, Joins, Database Design

Frameworks & Tools:

- ASP.NET Web Forms, Visual Studio 2015, SQL Server Management Studio (SSMS)

Soft Skills:

- Team Collaboration, Leadership, Problem-Solving

EDUCATION

Master of Computer Application (MCA)

Current CGPA: 8.74

D. Y. Patil Agricultural and Technical University, Talsande, MH

Expected Graduation: 2027

Bachelor of Science (Computer Science Entire)

CGPA: 9.6 (Distinction)

The New College, Kolhapur, Maharashtra

Graduated: 2025

TECHNICAL PROJECTS

Personal Portfolio Website | HTML5, CSS3, JavaScript | [View Portfolio](#)

Built a fully responsive portfolio website showcasing skills, projects, and certifications with smooth navigation and a modern UI for recruiters.

Placement Management Portal | ASP.NET, SQL Server, C# | Tools: Visual Studio, SSMS

- Built a campus recruitment portal to streamline student job applications and placement drive coordination.
- Automated student registration, company listing, application tracking, and placement status reporting.

Online Movie Ticket Booking System | ASP.NET, SQL Server, C# | Tools: Visual Studio, SSMS

- Developed a full-stack web application enabling users to browse movies, select seats, and complete bookings online.
- Implemented secure user authentication (login/registration) with session management and role-based access.

CERTIFICATIONS

CISCO – Python

Issued: June 2026

IBM – Cyber Security

Issued: June 2026

AWS Academy Graduate - Cloud Foundations

Issued: November 2025

IBM - SQL and Relational Databases 101

Issued: December 2025
